Nadia,

I'm aware of this and have a change request in to the IT folks. I'll follow up; I'm sorry this isn't as easy as it seems it should be!

Subject: [Non-DoD Source] Navy Website Contact information

Keith,

Our librarian received a call on TI and wanted to know if the BRAC Navy website was accurate for contact information. It doesn't appear it's been updated for your new phone number (has Phone: (619) 524-4567)- see the first link. The second link has contact information (no names) for regulatory agencies, but the numbers are different, so not sure if these are general lines. Can you verify and get his information updated? Thanks!
